### **PRESS RELEASE**

#### **MSGA Announces Results of MSGA Officer and ASA Director Elections**

*Krueger elected to second term as President*

MANKATO, MN – June 17, 2011- The Minnesota Soybean Growers Association (MSGA) board of directors held officer and ASA director elections during their board meeting Wednesday. All officers and current American Soybean Association (ASA) representatives were re-elected to their positions.

MSGA officers include President Kurt Krueger of Rothsay, Minn.; Vice President Bill Gordon of Worthington, Minn.; Treasurer Bruce Schmoll of Claremont, Minn.; and Secretary George Goblisch of Vesta, Minn.

Lawrence Sukalski of Fairmont, Minn.; Lance Peterson of Ottertail, Minn.; and Ron Bunjer of Arco, Minn. will all serve second ASA terms, which ensures Minnesota soybean producers are well-represented in national farm policy.

“There are certainly a lot of opportunities and challenges in the realm of ag policy today,” said Krueger. “So while I am honored to serve a second term as MSGA president, I am even more pleased to continue working with my fellow officers and ASA directors, who understand the issues and are deeply committed to proactively influencing legislation in St. Paul and Washington DC.”

#### **Minnesota Soybean Growers Association**

MSGA is a non-profit, farmer-controlled membership organization established in 1962. Its goal is to assure profitable soybean farming by influencing favorable ag legislation, monitoring government policies and supporting research and market development activities.

#### **American Soybean Association**

ASA represents all U.S. soybean farmers on domestic and international issues of importance to the soybean industry. ASA's advocacy efforts are made possible through the voluntary membership in ASA by over 21,000 farmers in 31 states where soybeans are grown.
